Amendment to Proposal to organize Community Tet Festival at Garden Grove Park in 2014

Date: November 18, 2013

We, the *Vietnamese American Community – Hội Cộng Đồng Việt Mỹ*, (previously AKA Vietnamese American Community of Southern California), address: 11761 Samuel Dr., Garden Grove, CA 92840, a non-profit organization, *and Hand to Hand Relief Organization*, address: 9761 Calendula Ave., Westminster, CA 92683, also a non-profit organization, submitted the proposal to organize the Tet Festival at Garden Grove Park in 2014 on Nov 6, 2013.

In our proposal we indicated that the proceed of the Tet Festival after all expenses' deduction will be distributed ***one hundred per cent (100%)*** to three funds:

1. Community Activity Center.
2. Non-profit community organizations.
3. Emergency/Homeless Shelter.

The city don't recognize that we donate one hundred percent of the proceed to charity purpose. We don't keep any percent of the proceed, even a penny to our organizations.

Today, we would like to submit the amendment with change of proceed in our proposal as follows:

The benefit of this Tet Festival: After all the expenses' deduction the proceed of this Tet Festival will be distributed **one hundred percent (100%)** to the following funds:

1. 20% to non-profit organization of the Garden Grove city.
2. 30% to Community Activity Center.
3. 25% to Non-profit community organizations outside Garden Grove city
4. 25% to an Emergency/Homeless Shelter.

*Again, we would like to emphasize that we don't keep any penny for our organizations for any reason. We donate **one hundred percent (100%) of the proceed for charity purposes.***

We would like the CITY to consider this amendment to our proposal in making final decision in the next coming up Council Meeting on Tuesday, Nov. 26, 2013.

Very truly yours,

Lac Tan Nguyen, Representative of the Tet Festival 2014 Organizing Committee
